From: DAVID NELSON, PRESIDENT

Subject: OPPORTUNITIES FOR ENROLLMENT IN CREDIT COURSES

Date: 6/1/2016

In 1987, the ProArts Colleges (MassArt, School of the Museum of Fine Arts), Emerson, Boston Conservatory, Berklee, and Boston Architectural Center) signed a reciprocal agreement enabling staff and faculty to cross register, on a limited basis and without charge, at member institutions. I am pleased to announce that we have recently clarified and updated the guidelines for participation in this program. I encourage all full-time employees of MassArt to take advantage of this opportunity, which includes taking Courses at the home institution free of charge. Forms for enrollment in MassArt courses may be obtained from the Human Resources Office.

1. A full-time or part-time benefit eligible "AA" MassArt employee may take one credit bearing course per semester in either MassArt's day or PCE program, without charge, and one additional course during the summer session, normally as a Non-matriculated student. To become matriculated, a person must apply and be admitted through the regular college admissions process. Only those courses offered at our main campus in Boston qualify. Independent and directed studies are excluded from this policy.
2. Tuition and general fees for the course will be waived, with the exception of any *lab* and *material* fees specific to an individual course.
3. A MassArt employee may take a course or courses at another ProArts College, free of charge, following that college's participation guidelines. Guidelines for each college are posted on the ProArts website.
4. A student enrolling in a course under this policy must meet all course pre-requisites and receive permission from the course instructor.
5. Enrollment is on a space-available basis, after the pre-registration period for matriculated students ends.
6. Any changes in work schedule requested to participate in this program must be approved in writing by the employee's supervisor, vice-president, and human resources prior to registration in a course. Signed forms must be presented to the registrar at the time of registration.
7. Procedures for registration at other ProArts Colleges are available from the Registrar's Office at each of the participating colleges.
8. Employees will be subject to applicable state and federal income taxes.

The College reserves the right to modify, change, or eliminate this benefit after consultation with the union.
