## All University Committee

The All University Committee (AUC) is responsible for reviewing each charge received and for referring it to one of its standing committees (Curriculum, Academic Policy, Student Affairs), or to another appropriate committee. All committees transmit their recommendations to the AUC, which reviews and forwards them along with any amendments or recommendations of its own to the president of the college for review. The president's final ruling is released to the college community.

All charges to be reviewed through governance should be sent to the Academic Affairs Office, care of Alice Stanne, AUC Recording Secretary. Charges must be submitted by Monday afternoon to be on Wednesday's agenda.

AUC meets on Wednesdays reserved for governance at 1:30 p.m. in Tower 1101.

The composition of the AUC is 8 faculty, 3 students, and 3 administrators.
