## General financial aid information

[www.finaid.org](http://www.finaid.org)

A popular web page offering information about all aspects of financial aid. The page has dozens of tools for calculating college costs, loan payments, savings, and the expected family contribution (EFC).

[www.fastweb.com](http://www.fastweb.com)

This is the largest scholarship search engine on the web. Students may perform a scholarship match for local and national scholarships and receive emailed updates on any new scholarships for which they may be eligible.

**For additional links to outside scholarship information, please visit [outside scholarship opportunities](#).**

## Federal aid programs

[studentaid.ed.gov](http://studentaid.ed.gov)

The federal government's home page about federal financial aid programs.

[www.fafsa.ed.gov](http://www.fafsa.ed.gov)

The Free Application for Federal Student Aid.

## Federal Loan Servicers

MassArt participates in the Federal Direct Loan Program. Current borrowers may access their account information, repayment calculators, deferment and forbearance forms, and even make payments.

Unsure who your loan servicer is? Access your account on the [studentaid.gov](http://studentaid.gov) to find out.

## For Massachusetts residents

[www.osfa.mass.edu](http://www.osfa.mass.edu)

Information about the student aid programs administered by the Department of Higher Education for the State of Massachusetts.

## Information about college planning

[ASA College Planning](#)

[www.aie.org](http://www.aie.org)

Adventures In Education (AIE) is a nonprofit, public benefit program developed by TG that helps students plan and complete their journey through higher education. By providing a website and other free resources to students, parents, counselors, and educators, AIE encourages individuals to discover and pursue educational opportunities. The site is available in English or Spanish.
