

International and Intercultural Opportunities Committee

Charge: MassArt considers a global perspective to be essential to the development of an informed artist, designer, or educator. To this end, the International and Intercultural Committee (IIO) is charged to coordinate, promote, and increase awareness of international opportunities to the college community including:

- Faculty-led travel courses
- Faculty and student exchanges
- Semester and summer abroad opportunities
- The Fulbright Program
- International student support and programming

Ongoing tasks of the IIO Committee include:

- Reviewing student and faculty exchange programs and semester-long study abroad opportunities to advise the Provost
- Supporting international student recruitment

Collaborating with the COF GEO Center

COMPOSITION: 4/5 faculty, 4/5 administrators, 4/5 students

Amy Holland
