

Budget Advisory Committee

Budget Advisory Committee 2018-2019 (2020 Budget Development Cycle)

Our committee's Charge is: *To represent the college community and to ensure the financial resources of the college are allocated in response to priorities established in the planning processes of the institution including strategic planning, outcomes and assessments, and program review. The committee will present to the President and the Cabinet a set of budget priorities for consideration in the FY20 budget. In addition, review current budget activity and spending operation reports.*

The committee composition is: *Four Faculty, Nine Staff and Administrators, and Three Students.* This year the committee will be:
